ELECTRA

6 issues per year

The bimonthly journal of the Association is available to members only. It contains information on the progress and results of the technical activities, on the life of the Association, on events organised by the CIGRE National Committees and international meetings.

9100 members (90 countries) benefit from Electra.

Membership Benefits

PUBLICATIONS

7000 references on www.e-cigre.org

- Papers and Proceedings of Sessions and Symposia (CD-Rom).
- Technical brochures on the work of the Study Committees.
- ELECTRA technical papers, etc.

4000 digital files available free of charge.

50% reduction on all hard copies.

MEMBERSHIP DIRECTORY

For Members only. A free copy of the CD-Rom is forwarded, early in uneven number year. It is a link between members and an essential tool for professional contacts.

SESSIONS SYMPOSIA

SIGNIFICANTLY REDUCED REGISTRATION FEES (20-25%)

Registration covers Papers and Proceedings.

The **CIGRE BIENNIAL SESSION** held in Paris in even number years brings together about 3200 participants. Over 450 Papers are presented. A unique opportunity for business contacts and exchange of information with the best experts, top managers, decision makers, professors, government representatives and engineers from around the World.

An **INTERNATIONAL TECHNICAL EXHIBITION** is held during the Session as a complement and illustration of the Session topics. (about 200 exhibitors, 7000 visitors from 100 countries).

Two **SYMPOSIA** in different countries in odd number years. They focus on a subject of topical interest. Educational opportunities with Tutorials. International audience with around 300 delegates.

- ▶ Access to the latest CIGRE technical information through www.e-cigre.org
- ▶ An area reserved for members on the CIGRE Website www.cigre.org
- ▶ Many services, information and links with CIGRE National Committees and Study Committees which organize regional meetings and local events
- ▶ Opportunity to take part in CIGRE's technical work and exchange experience. (CIGRE Working Groups and Study Committees count 2500 experts)
- ▶ Opportunity to present Papers to Sessions and Symposia.

OTHER BENEFITS

The renewal of the Fees must be paid to CIGRE before March 31st of the current year.
